Investment mandate and objectives

The primary investment objective of the Fund is to generate real positive returns over time through the active management of a combination of money market, bond and income generating instruments. The strategy and investment mandate of the fund has a focus on income generation, with downside protection of capital.

Features:

The fund will primarily invest in a range of fixed income securities including instruments guaranteed by the Republic of South Africa, gilts, semi-gilts, loan stock, preference shares, debentures, debenture stock, debenture bonds, unsecured notes, financially sound listed property investments, participatory interest in collective investment schemes and any other instruments guaranteed by the Republic of South Africa which are considered consistent with the fund's primary objective. Taquanta Asset Management is our preferred investment manager mandated to achieve the above investment objectives.
